2017-2018
Gardenview Montessori School
Supply List

To help spread out the load and get the supplies that we really need, we decided to break it down based on the year that your child is in attendance at school. Please identify what year your child is in at Gardenview and provide the following items based on that year. We understand that not everyone can bring all these items and felt that dividing it among our school family would help lighten the load. Please let us know if you have questions about any of the items listed.

Sprouts

- **Diapers – if your child is in diapers, please send in an unopened package of diapers**
- **2 complete changes of clothes in a labeled bag**
- **2 bags play sand (Lowe's or Home Depot)**
